The Finest and Easiest Side Spring Buggy made is the Columbus

It has more desirable features than any other side spring gear. It is so constructed that the center or brace springs serve a double purpose, i. e., both a brace and an equalizer, consequently you get less side motion than on any other side spring gear. Put your whole weight on one step of the COLUMBUS and watch the result, then go through the same operation on any other side spring gear vehicle and you will find the COLUMBUS goes down level, while the others will cant to one side. There has been over 40,000 vehicles with this gear sold, and so far as we know there has never been a spring broken, and its riding qualities are unsurpassed.

HILO WILL RAISE FUNDS.

Mass Meeting to Be Called to Consider Plans.

A mass meeting will be held the latter part of next week at Spreckel's hall for the purpose of discussing ways and means to raise a Hilo contribution to the Hawaiian McKinley monument fund. Under the authority of the Honolulu committee the following committee from Hilo has been named: J. A. Scott, C. Kennedy, Rev. Mr. Desha, Mr. Guni, E. Peck, J. S. Canario, Josephine Deyo, Brother Henry, Ah Hip and John T. Brown. This committee held a meeting Monday night in the office of the First Bank of Hilo. At this meeting it was decided to call a mass meeting of the citizens. There will be a number of addresses by good speakers, and everybody is invited to attend.

The Foresters have donated the use of the hall. The effort to raise funds will be made the occasion to develop, especially among the young people, a clearer type of patriotism and it will strengthen interest in American institutions. The general committee has provided a handsome lithographed receipt or certificate to be issued to each contributor no matter how small the sum given. This, it is calculated, will be a souvenir growing in value as time goes by. It is hoped that the hall will be crowded.—Hilo Herald.

NIGHT SCHOOL.

An up-to-date Night School will be opened in the

QI FEN EMMA BUILDING, BERETANIA AND NUUANU, Monday Evening, Nov. 18, at 7 o'clock.

This School will be under the management of a college man of fourteen years' experience, assisted by experienced instructors employing modern methods.

This move has the hearty endorsement of the leading educators of the city, and deserves the co-operation of all. English and the common branches will be taught. Special attention given to day school delinquents.

For terms, etc., call on or address C. J. COOPER, Principal, 1235 Matlock Avenue.
